UVC84-CP965-BYOD Datasheet

Yealink UVC84-CP965-BYOD Meeting Kits for Medium and Large Rooms

Yealink UVC84-CP965-BYOD meeting kits are designed for medium and large rooms, providing excellent video and audio experience at a lower cost. Combined with a 4K sensor and a revolutionized new ID design, the Yealink UVC84 USB camera offers the best video experience for your meeting. Featured 12x optical lossless zoom and 3x digital zoom, UVC84 reproduces every detail in the meeting room, perfectly fitting for medium and large rooms. Furthermore, UVC84 covers a wide field of view of 80°, with a mechanical pan and tilt that can be easily done by remote control or Yealink camera control plugin software. All of that makes Yealink UVC84-BYOD kits the ideal choice for truly collaborative, true-to-life communication in medium and large rooms.

Key Features and Benefits

- 4K video at 30 frames per second
- 12x optical zoom, 3x digital zoom, presenting crystal-clear video image
- Mechanical Pan, Tilt, and Zoom
- Auto Framing feature, more intelligent meeting experience
- Smooth PTZ control by remote control or Yealink camera control plugin
- Easy to deploy

4K Ultra HD video quality

UVC84 camera delivers 4K video output with excellent sharpness and smoothness, accurately reproducing every detail and color. Therefore, awarding you a vivid video experience.

HD zoom, large field of view

With 12x optical zoom, 3x digital zoom, and 80° field of view, UVC84 can easily cover a medium or large meeting space. The remote party can clearly see everyone sitting in the meeting room.

Auto Framing

UVC84 camera aims to provide a better auto framing feature to free your hands from doing PTZ control and make you focus on your meeting.

Easy and Flexible deployment

The complete mounting kits bring you a quick and flexible installation method, which allows you to either put UVC84 on the conference table or mount it on the top of the TV, on the wall, on the ceiling, onto a TV stand, or on a tripod according to your needs.

Specification

Parameter	Description
Package Content	· UVC84 Camera · CP965
